Costumes

Dress in your finery and participate in the spirit of medieval times!

Students, teachers and volunteers are encouraged to dress in medieval era costume. In addition, each class will be choosing their king and queen in the coming weeks.

A few costume suggestions for those not chosen to be king or queen are:

Royalty: princes or princesses in brightly colored gowns or robes with crowns

Holy Orders: monks in brown cloaks with hoods and rope belts or popes with white robes

Knights/Squires: simulated armor with helmets, swords, shields and capes

Manor Lords: long jackets with felt hats

Ladies: blouses under lace-up dresses or gowns with head rings

Noblemen & Women: tunics and dresses with an under-dress, belted or tied at the waist with headdresses and cloaks.

Peasants: tattered shirts, straw hats, good luck charms, short tunics belted at the waist over short trousers or dresses over underskirts with cowls and boots

Jesters: brightly colored tunics, felt hats, tight
